COOKIES POLICY

Network 2 Grow, SL (hereinafter, **Network 2 Grow**) uses cookies on the website **holadrop.com** (hereinafter, the website) to help improve the service of the user of the website (hereinafter, the 'user') by measuring the use and performance of the site as well as optimizing and customizing it.

Cookies are files sent to a browser via a web server to record the user's activities on a specific website. The primary purpose of cookies is to provide the user with faster access to the selected services. In addition, cookies personalize the services offered by the website, facilitating and offering to each user information that interests him or that might interest him, depending on his use of the services of the website.

The users registered on the website can benefit from more personalized services, adapted to their profile, thanks to the combination of the data stored in the cookies with the personal data used at the time of registration. These users expressly authorize the use of this information for the purposes indicated, without prejudice to their right to refuse or disable the use of cookies.

In the same way, the website will be able to know all the services requested by the users, so that they can provide or offer information appropriate to the tastes and preferences of each user.
The website may contain links to other websites. In this sense, **Network 2 Grow** does not control the cookies used by these external websites. For more information about cookies from third-party websites, we recommend that you consult your own cookie policy.

Current legislation requires us to request the consent of the user to manage cookies. In case the user decides not to allow the use, **Network 2 Grow** will not save any cookies and only technical cookies will be used, because without them, it is not possible to navigate the site. In case of continued navigation on the site and the refusal of the authorization, this activity implies the acceptance of its use.

The cookies used on the Web are as follows:

Cookie	Description	Duration	Type
lang	Language preference: Used to memorize the language chosen by the visitor during his session.	1 Year	Proper
.Asp.Net.ApplicationCookie	Authenticated user information, when the user wants the browser to remember their user.	2 weeks	Proper

__utma	Unique Visitor Identification: Used to record unique visitors for statistical and analytical purposes.	2 years	Google (analytic)
__utmb	Determining the visitor's session: Google Analytics uses two cookies to establish a session. If one of these two cookies is missing, another activity launches the start of a new session.	30 minutes	Google (analytic)
__utmc	Determining the visitor's session: Google Analytics uses two cookies to establish a session. If one of these two cookies is missing, another activity launches the start of a new session.	Session	Google (analytic)
__utmz	Recording Traffic Sources and Navigation: Used to record how you arrived on our website (through Google search, notification, etc.) and the routes that follow when navigating our site. We use this information to improve the user experience in future updates.	6 months	Google (analytic)

The user may restrict, block or delete cookies from the **Network 2 Grow** website using his browser. In each browser, the operation is different. You will find below links to the main browsers to make these changes:

- Internet Explorer
- Firefox
- Chrome
- Safari

In case of modification of the cookie configuration, **Network 2 Grow** informs that it does not guarantee the proper functioning of the different functionalities of the site.

Network 2 Grow may modify this cookie policy in accordance with legal requirements, regulations or in order to adapt this policy to the instructions of the Spanish Data Protection Agency. As a result, site users are informed that they must visit it periodically.

In the event of significant changes in this cookie policy, users will be notified via the website or via email to registered users.
